

MOBILE PANTRY

- Launched in 2019 in collaboration with United Regional Health Care System to address hunger and community health in food deserts.
- Provides nourishing food such as produce and protein, while offering on-site blood-pressure and glucose screenings.
- Authorized hospital staff administer health referrals to clinics and specialists for neighbors to access health care more easily.

**1,500 FAMILIES ON AVERAGE
SERVED EACH MONTH IN 2024**

IN COLLABORATION WITH

GOODBUY! HUNGER

- Uses monetary contributions and grants to purchase items when donated goods are not available.
- Provides neighbors with a variety of items to maintain a balanced diet.
- Stretches dollars 4 times further than purchasing at retail stores due to bulk-buying capability.

\$1 Donated = 1 Meal
